99 NSCAA Scholar Teams from Ohio

The National Soccer Coaches Association of America and adidas awarded 156 schools the NSCAA High School Team Academic Award at the 53rd annual NSCAA Convention Jan. 12-16 in Baltimore Maryland. 8 Ohio Teams earned this award. The award, presented during the 2000 convention at the NSCAA/adidas High School Coaches Breakfast Saturday, Jan. 15, is based on the academic performance of a team during the previous academic year (both semesters).

To be eligible for the award a team must have a minimum grade point average of 3.25 for the year based on a 4.0 scale. Only athletes who appear on a varsity roster during the soccer season are eligible in calculating the grade point average. All soccer players on the roster must be included in the calculation.
